EXHIBIT A

VILLAGE OF EL PORTAL
POLICE OFFICER TAKE HOME MOTOR VEHICLE POLICY AND PROCEDURES

The Village of El Portal ("Village") shall provide take home motor vehicles ("vehicles") for Police Officers beginning on July __, 2019 through 2020 ("Pilot Period"). An employee with a take home vehicle shall follow the following provisions:

1. Only Village Officers, possessing a valid State of Florida driver's license appropriate for the vehicle, are authorized to operate Village vehicles.

2. Officers shall not operate a Village vehicle while under the influence of drugs or alcohol.

3. Officers shall not transport any persons other than Village Officers in a Village vehicle, except in the course of official business. This includes pets, but excludes Village authorized patrol animals.

4. Officers and authorized passengers are expected to observe all traffic regulations, including seatbelt usage, and all policies and procedures of the Village, while operating a take home vehicle.

5. All incidents involving Village vehicles must be reported to the law enforcement office of the appropriate jurisdiction, and the Officer's supervisor immediately. Officers with take home vehicles will provide copies of any accident reports, citations, etc., concerning the vehicle or its operation, to the supervisor, who will file an incident report and contact the Village insurance company.

6. Officers will not operate their vehicles in such a way as to cause public criticism or nuisance. This includes vehicle parking when not in use.

7. Officers are expressly prohibited from making any cosmetic or mechanical modifications to any Village owned vehicle without the approval of the Police Chief. The Police Chief reserves the right to remove any or all modifications that may impair the vehicles safety or usefulness and or cosmetic changes that are not in keeping with Village policy.
8. Take home vehicles may only be used for personal purposes on a *de minimis* basis, such as an occasional use for a personal errand while using the take home vehicle for a business purpose or during a commute to or from work.

9. Unattended take home vehicles shall be legally parked and locked at all times, except in emergency circumstances. Officers shall not leave sensitive information or public documents (other than reference material), and firearms anywhere in the vehicle, including the trunk, while off duty.

10. Alcoholic beverages or unlawful drugs will not be placed in the take home vehicle, unless, as in the case of law enforcement Officers only, confiscated in the line of duty. While operating the vehicle, Officers are prohibited from patronizing package stores or any establishment, which may result in public criticism.

11. Smoking is prohibited in all Village-owned or leased vehicles.

12. Scheduled maintenance will be coordinated with the Police Chief or his/her Designee at the Village’s expense. Officers will be responsible for routine maintenance, such as checking the tire pressure, all fluid levels etc. Officers may be subject to disciplinary action for failing to maintain their take home vehicle in proper working order or if there are signs of mechanical abuse or uncleanliness. No compensation will be made for any maintenance performed off duty. Take home vehicles should be fueled at the Village's approved Miami Dade County Fleet Maintenance fueling stations, whenever practical. Unless in the course of a disaster, reimbursement for any other fuel purchase may be denied. The take home vehicle use may be suspended for: 1) Uncleanliness; 2) Failing Inspection; 3) allowing non-Officers to operate the vehicle or 4) Mechanical Abuse in accordance with the following:

   - First and Second Incidents: Verbal Warning
   - Third Incident: One Week Suspension
   - Fourth Incident: Two Week Suspension
   - Fifth Incident: One Month Suspension

   More than Fifth Incident: As determined by the Chief of Police

Additionally, Officers involved in two or more preventable accidents in a 12-month period may have their take home vehicle use suspended until 12 months has passed from the first preventable accident.
Other actions clearly not in the best interest of the Village may result in a suspension of the take home vehicle use as determined by the Chief of Police.

13. Any Village Officer who will be on any type of leave of seven calendar days or more, including worker's compensation or sick leave, must leave their respective assigned vehicle at the Village Hall parking lot at the Police Chief's discretion. It shall be the responsibility of the concerned supervisor to ensure compliance of this directive.

14. Occasions that may prompt the Police Chief or his/her designee to authorize additional Officers to take home department vehicles include but are not limited to: preparations made in advance of a severe storm, such as a hurricane, to secure vehicles or to position vehicles to facilitate effective post-storm service restoration/clean-up activities. Such authorizations may be temporary in nature and may require alternative work assignments. Pre-approval from the Police Chief to take home a Village vehicle for storm related purposes may be requested in writing in accordance with its Village's Emergency Response Plan.

15. The assignment of a Village take home vehicle may result in taxable income to the Officer pursuant to IRS rules.

16. The utilization of the take home vehicle is primarily intended for portal to portal use, from the Officers residence to the Village. In an effort to reduce the costs to the Village in maintenance, repairs, fuel, accidents and liability, the Village will charge Officers who are provided a take home vehicle a bi-weekly fee which is determined by the amount of miles traveled from the Officer's residence to the Village (portal to portal). The utilization of the take home vehicle is primarily intended for portal to portal; however there are other usages for errands, etc. The amount of miles from portal to portal will be calculated through map quest or similar internet application. Village Officers who participate in the program must agree to a take home subsidy of the following, based on the miles driven:

   a. within the Village: no charge;

   b. 1-30 miles round trip - $25.00 bi-weekly; adjusted to $30.00 bi-weekly should the cost fuel to the Village exceeds $4.10 per gallon;

   c. 31-60 miles round trip - $30.00 bi-weekly; adjusted to 35.00 bi-
weekly should the cost of fuel to the Village exceed $4.10 per gallon;

d. 61-90 miles round trip - $35.00 bi-weekly; adjusted to $40.00 bi-weekly should the costs of fuel to the Village exceed $4.10 per gallon; and

e. Over 90 miles round trip – Officers are not eligible to participate.

17. Should the Officer decide to stop participating in this program or change residence, the Officer must notify the Police Chief in writing immediately who will then have two (2) weeks to implement any change.

18. The Police Chief or Designee has the sole authority of vehicle assignment to departmental personnel. During the Pilot Period, the Village will assess the financial impact take home vehicles have on the Village’s budget and ability to continue to the policy after the Pilot Period and to incorporate the benefit in the Village’s Collective Bargaining Agreement with the Police Benevolent Association.
