26. **NON-RESPONSIVE PROPOSALS**

Proposals deemed to be non-responsive shall not be considered for award under this Solicitation. A Proposal may be determined to be non-responsive due to various factors including, but not limited to, failure

to utilize or complete prescribed forms, conditional responses, incomplete responses, indefinite or ambiguous responses, failure to meet deadlines and improper and/or undated signatures.

Other conditions which may cause rejection of Proposals include evidence of collusion among Respondents, obvious lack of experience or expertise to perform the required Work, submittal of more than one Proposal for the same Work from an individual, Respondent, joint venture, or corporation under the same or a different name, failure to perform or meet financial obligations on previous contracts, employment of unauthorized aliens in violation of Section 274A (e) of the Immigration and Nationalization Act, or in the event an individual, Respondent, partnership, or corporation is on the United States Comptroller General's List of Ineligible Design-Builder for Federally Financed or Assisted Projects.

Proposals will also be rejected, as stated, if not delivered or received on or before the date and time specified as the deadline for submittal.

27. **CONE OF SILENCE**

This Solicitation is issued pursuant to the Village Code, Cone of Silence, which prohibits certain types of communication with Village Council members, Village staff and evaluation committee members upon issuance.

Upon the Cone of Silence taking effect, the Village Clerk shall issue public notice thereof by providing written notice to the affected Village Departments, the Village Clerk's Office and to each Village Council Member. Notwithstanding any other provision of this section, the imposition of a Cone of Silence on a particular Solicitation shall not preclude the Village Manager from obtaining industry comment or performing market research provided all communication related thereto with a potential Respondent, Proposer, supplier, lobbyist or consultant are in writing or made at a duly noticed public meeting.

The Cone of Silence ordinance does not apply to oral communications at pre-Proposal conference, oral presentations before selection committees, Agreement negotiations, public presentations made to the Village Council during any duly noticed public meeting or communications in writing at any time with any Village Council member unless specifically prohibited by the applicable Solicitation documents. Failure to comply with this requirement shall render the Proposal non-responsive. 29. **BUSINESS ENTITY / RESPONDENT REGISTRATION**

The Village of El Portal requires business entities to complete registration application before doing business with the Village. Respondents need not register with the Village to present a Proposal; however, the selected Respondent(s) must register prior to award of an Agreement as failure to register may result in the rejection of the Qualification. It is the responsibility of the business entity to update and renew its application concerning any changes such as new address, telephone number, commodities, etc. during the performance of any agreement awarded as a result of this Solicitation.

Where exceptions are taken, the Village Council through majority vote shall determine the acceptability of the proposed exceptions. The Village Council, after completing evaluations, may accept or reject the exceptions. Where exceptions are rejected, the Village may insist that the Respondent furnish the Services or goods described herein or negotiate an acceptable alternative.

END OF SECTION

SECTION 2.0 CONDITIONS

2. PURPOSE

The Village of El Portal is a proud member of Tree City USA, and is also a bird sanctuary, and home to native Florida wildlife. The preservation of the environment and its natural state is vital to the Village. The Village has a vulnerable tree canopy due to tropical storms that affect the area every few years. The roughly 3,200 trees within the village's rights of way and parks are at risk of high winds and flooding from the Little River. It is important for the village to have a better understanding of the condition of its street trees – identifying diseases and failing trees - but also understanding where trees are missing. The selected Respondent(s) will prepare the village's Urban Forestry data. The project will entail walking the Village's streets, medians and public spaces to obtain data on the trees and palms. The qualified contractor will survey individual trees; noting species, size, condition, growing space, and risks.

The most important outcome of this tree survey - which is enthusiastically supported by our Council and Tree Board - is that the tree study will provide the village a data-supported method to address planting, pruning, care, and removal of trees. Our staff will be able to target areas most in need of treatment or further planting. This will help us have a healthier tree canopy that is better able to respond to storms.

2. TERM OF CONTRACT

The Contract will commence upon approval by the Village Council, unless otherwise stipulated in the Notice of Award letter, which will be issued by the Village Manager and contingent upon the completion and submittal of all required Solicitation documents. The initial term of this Contract may be up to one (1) year.

3. OPTION TO RENEW

The Contract may be renewed annually for three (3) additional one-year periods, under the same terms and conditions, at the sole discretion of the Village Manager. The fee structure of the Contract shall remain firm for the entire Contract term including any and all renewal periods.

4. METHOD OF AWARD

The Village Manager shall review all Proposals received in a timely manner and shall determine which ones are deemed responsive and responsible Respondents. The results of the Village Manager's review and evaluation shall be submitted to Village Council for their further review, evaluation, and final selection for award of this Contract.

5. MINIMUM QUALIFICATION AND EXPERIENCE

In order to be considered eligible to respond to this Solicitation, the Respondent must meet the following minimum qualifications:

- b. The ability to perform the work service promptly or within the time specified, without delay.
- c. The character, integrity, reputation, judgment, experience, and efficiency of the proposer.
- d. The quality of performance of previous contracts or services.

Selected Respondent shall not commence work under this Agreement until the Village has received and approved all the minimum insurance described by the Village’s Finance Department. Selected Respondent shall not permit any Subcontractor to begin any work on Village property until subcontractor’s minimum insurance coverage is obtained and approved.

7. FAILURE TO PERFORM
